Re: Deleston v. 251 Ginza Sushi Huang, Inc., d/b/a 251 Ginza Sushi, *et al*  
Civil Action No. 1:19-cv-9167

---

Dear Judge Cave:

I am writing on behalf of all parties to request an adjournment of the Settlement Conference in the above-referenced matter currently scheduled for March 3, 2020 at 2 p.m. The reasons are two-fold: First, the parties were scheduled to appear for a pre-motion conference before the Honorable Andrew L. Carter on February 28, 2020 regarding a Motion to Dismiss; however, Mr. Gruber will be out of town that day and is seeking an adjournment of at least two weeks (document 51). Obviously, the Court's schedule will determine the actual adjourn date, which may be later. Second, the parties last met and conferred on February 24, 2020 and believe we are making progress in resolving the matter on our own. Being able to limit the number of attorney hours expended on the matter will make it easier to settle. We respectfully request that the Court adjourn the Settlement Conference to a date after the Pre-Motion Conference before Judge Carter.

This is the second request for an adjournment of the Settlement Conference. Plaintiff previously requested, soon after the conference was originally scheduled, that the conference be scheduled for an afternoon to enable the plaintiff to appear. The Court rescheduled the conference from the morning of March 2, 2020 to the afternoon of March 3, 2020.
